

HAPPENINGS IN AND ABOUT TOWN

PLOW CO. CASE TO BE DISMISSED

Proceedings Seeking Receiver for South Bend Chilled Plow Firm Are Settled.

Proceedings which were instituted nearly a year ago in the St. Joseph circuit court for the appointment of a receiver for the South Bend Chilled Plow Co. will be dropped at today's hearing before the court as a settlement out of court has been agreed upon.

This was stated by S. S. Perley, representative of his wife, formerly Miss Lillian Cassidy and one of the heirs of W. L. Cassidy.

The testimony in the case has all been heard and today the arguments

of the complainants were to have been heard. Through the attorneys, Howell, Jones and Devine, and Graham and Crane, and the attorneys of A. D. Baker, the defendant, Anderson, Parker, Crabbill and Crum-packer, a settlement agreeable to both of the interested parties was reached.

Suit Brought by Executrix.

At the instigation of Maria Cassidy, executrix for the heirs of W. L. Cassidy, suit was brought against A. D. Baker, secretary and treasurer of the South Bend Chilled Plow works, in which lack of management and bad disposition was charged. This suit was supported by Mrs. W. H. Oren, sister of Mr. Baker, and the only remaining stockholder, in a cross-complaint. All of the evidence had been heard and the court was to listen to the arguments of plaintiff and defense today. Instead the case will be dismissed when it is reached.

At present the papers specifying the settlement are in the hands of Graham and Crane, who are preparing them for signature.

ture in the near future, said Mr. Perley. Under the terms of the agreement the present holdings of A. D. Baker in the company will be transferred to the remaining stockholders. These are Mrs. W. H. Oren and the heirs to the Cassidy estate, Maria Cassidy, Burr Cassidy, Mrs. S. S. Perley, Oliver Cassidy and Mrs. George Cleveland.

Mr. Baker, through his attorneys, signified his willingness to reach a settlement out of court and offered a give or take proposition which was accepted by the combined stockholders, said Perley. Immediately after the transfer there will be a temporary organization formed which will get matters in shape for the permanent management which will be organized under the directorship of the stockholders and their representatives as soon as possible.

Voting Begins for Most Popular School Girl

In the contest to determine which girl from each school should represent her school on the Goddess of Liberty float in the Fourth of July parade voting was hot and heavy Tuesday in certain of the school districts, at any rate. By tomorrow it is hoped that other schools than the five which follow will have sent in their reports so that the residents of each district may be apprised of the standing of the various candidates for the honor. The executive committee of the municipal picnic announced yesterday that each girl, and there is to be one from each school district, who wins a place on the float will be presented with a gold ring, so get busy, boys and girls, casting your ballots for the favorite candidate in your school.

The results of Tuesday's vote in the school which have reported are as follows:

Grammar School.	
Mary Lewis	499
Lucille Steinruck	350
Eleanor Morris	309
Ida Sholly	289
Mary Levy	230

6x10 ft. Flag, \$2.50.

INTERNATIONAL BRIDGE AT EL PASO.

This picture shows the international bridge between El Paso, Texas, and Juarez, which is seen on the other side of the river. Field artillery and machine guns have been mounted on the American side commanding the bridge.

United States "Balanced" Tires

Select the Tire Built Exactly for Your Needs

There are five types of United States "Balanced" Tires—

- tires for every need of price and use
- tires for heavy cars
- tires for light cars
- tires for city pavements
- tires for rough road work
- tires for speed
- tires for heavy service

No one type of tire will suit all cars or all uses.

But among the five United States "Balanced" Tires you will find at least one type which is built exactly for your needs.

Ask the nearest United States Tire Dealer for your copy of the booklet, "Judging Tires," which tells how to secure the exact tire to suit your needs.

OLIVE TOWNSHIP GOES WET BY 56

Total of 542 Votes, Largest Ever Cast in Community—Four Saloons Involved.

Olive township, including New Carlisle, remained wet by a majority of 56 votes in the first local option election ever held in the township. The total vote cast was 542, the largest in the history of the township. Of this number the wets secured 290 and the dries 254.

Eighteen votes were thrown out entirely, because of the failure of those who cast them to operate the voting machines correctly. About 10 wet votes were contested, but the dries did not make a fight over them, because of the majority by which the saloons were allowed to remain in the township.

Four Saloons Involved.

Four saloons would have been forced to close their doors, had the election gone the other way. Three of these places are in New Carlisle proper and the other is located a short distance away.

The campaign between the two factions, which closed Monday night, was featured by a hot fight on both sides. Following a talk by ex-Sen. Ore of Kentucky in the wet campaign Monday, Rev. A. G. Shafer, pastor of the New Carlisle M. E. church, formerly of South Bend, challenged the use of several Biblical quotations by the former senator. A heated word battle was fought and trouble nearly resulted.

Voting Is Quiet.

Things were very quiet while the voting was going on Tuesday. There was no trouble whatever, though the election was marked by the usual arguments on both sides of the question.

Women living in the district took an exceptional interest in the election. Each side carried the districts that had been conceded by the opponents.

HUNGARIAN BUSINESS MEN FORM ASSOCIATION

Officers to be Elected and Organization Perfected July 5—Expect 100 Members.

With the appointment of a committee of nine prominent Hungarian business men at a meeting at Magyar hall Tuesday night, the first active steps in organizing the Hungarian Business Men's association of South Bend were taken. The committee will see every person in South Bend who should be a member of the organization and it is expected that the association will start with at least 100 members.

Dr. Oscar von Barandy was elected temporary chairman of the association and D. D. Nemeth was elected temporary secretary. Officers will be elected and the permanent organization perfected at a meeting to be held at Magyar hall on Wednesday, July 5. The idea of the Hungarian Business Men's association was brought up by D. D. Nemeth at the fifth anniversary banquet of the Hungarian newspaper two weeks ago.

The committee named Tuesday night follows: Dr. Oscar von Barandy, D. D. Nemeth, Martin M. Zeder, Louis E. Kovach, George Voth, Frank Lassie, John Madarasz, Alexander Szabo and Daniel Peters.

LODGE NOTES

Last night's meeting of the Crusade lodge, No. 14, Knights of Pythias saw the election of the officers for the coming term. The final reports of the various officers and committees that have served the lodge during the first term of the year will not be heard until the next meeting, when the new officers will be installed.

Verne Derf was chosen chancellor commander, and Dan B. Nye will assist him as vice chancellor. E. White will serve as prelate, and John De Haven as master-at-arms. Dan Pyle will be the inner guard, and Bert Russell the outer guard. Carl Schwanson concludes the list of regular officers as master of works.

The following men will serve as grand lodge delegates: Albert Slick, Bob Platz, Earl Wells, James Harden, Louis Berger and W. Johnson. After the election of officers, two men were initiated into the first degree; four received the second, and eight came into the third. A business session concluded the meeting.

Arrangements for the part to be taken by members of Monks lodge, No. 426, Order of Red Men, in the municipal picnic at Rum Village on July 4 were made at the regular meeting of the organization Tuesday night. The men will meet at the lodge rooms at 8 o'clock on the morning of the picnic and will march in a body to the starting point of the parade. The Red Men will follow the Red Men band.

Final arrangements for the picnic will be made at a meeting to be held Tuesday night instead of on next Tuesday evening, the regular meeting night. Three new applications for membership were received. The local lodge will take part in a class adoption at Laporte sometime next month.

Members of St. Joseph lodge No. 51, Knights of Pythias, will hold their ninth annual picnic at Lake Park Wednesday. A special car will carry the members and their families to the lake, leaving South Bend at 10:30 o'clock.

Following are the officers who were elected at a meeting of the lodge Monday night: Edward Curtis, C. C.; B. H. Compton, V. C.; Charles Frazier, prelate; Henry N. Hill, K. of R. and S.; William Hurle, M. P.; C. H. Elliott, M. E.; Otis James, M. A.; Alonzo Stewart, L. G.; Theodore Strong, O. G.; William Henderson, trustee for 18 months; Leonard Johnson, P. C.

Edward Curtis and Orvie Meyers were elected as delegates to the convention of the Indiana grand lodge to be held at Princeton, July 25-27.

BOARD OF WORKS MEETS

Following is the business taken up by the board of public works at the meeting Tuesday night: Deferred hearing on resolution for sidewalk on the south side of Calvert st. until July 25; received engineer's assessment roll on grade, curb and walk on Ewing av. from Michigan st. to St. Joseph st.; resolution prepared for sidewalk and curb on Ninth st., from Pleasant st. to the river; received a petition for a sidewalk and curb on Wilber st., from Elwood av. to Lincoln way E.

Ice cream social on Thursday, June 29, at 713 E. Cedar st. by Ladies Aid society of English Lutheran church.—Adv't.

FOUR CASES OF SMALLPOX BREAK

Four cases of smallpox in a single family were discovered yesterday by health officers.

Four of the children of Roman E. Szolcowski, living at 2017 W. Bertrand av., were found to be afflicted with light cases of smallpox and were at once removed to the isolation hospital. Sylvester, 11 years old; Edmund, 13 years old; Frances, 15 years old, and Helen, 17 years old, have all been feeling ill since Saturday, but until today it was not discovered by the authorities that they were suffering from smallpox. Helen, the only one of the affected ones who has employment, had fortunately quit work on the Wednesday preceding.

These cases have been traced back through a brother of the patients who suffered a slight illness several weeks ago. A superintendent of the Studebaker corporation, where he is employed, states that the man's face bore poxmarks for a week or more. Since he was not seriously incapacitated he continued his work at the factory and it is from this source that it is feared contagion may spread.

The head of health through Dr. Charles S. Rosenbury strongly advises that every person be vaccinated.

GIVE PATRIOTIC PROGRAM

Auten W. R. C., No. 14, Entertainers at Old Court House.

Auten W. R. C., No. 14, presented a patriotic program Tuesday evening at its regular weekly session in the old court house. The program was given by Mrs. Emma Goetz, who spoke on the "Colors of the Republic." "When Sherman Marched to the Sea" was the topic given by Mrs. Martha Smith, and Commander Martin, Comrade Donnoyer and Comrade D. W. Swan of Gallien, Mich., gave the remarks.

Sixteen members of the corps gave a flag drill, which was highly appreciated. The social hour was closed with refreshments.

MRS. B. F. SHIVELY TO GET \$7,500 FROM U. S.

Mrs. Benjamin F. Shively will receive an appropriation of \$7,500, if the bill which is at present under the consideration of the United States senate is carried through. The bill was introduced into the upper house by Sen. Kern, colleague of the late Sen. Shively. The amount is equal to a year's salary of a senator.

WYMAN STORE TO GIVE ANNUAL HALF HOLIDAYS

In accordance with the usual custom, employees of the Wyman store will be given Wednesday afternoons off during the months of July and August.

Beginning with Wednesday, July 5, and continuing every Wednesday thereafter for two months, the store will close at noon for the day, thus permitting all to get out and enjoy a half day's vacation during the hottest summer months. Nine Wednesdays are included. Coming as it does this year, Independence day, July 4th, will be a full holiday previous to the first Wednesday.

In Pulmonary Troubles of Every Nature

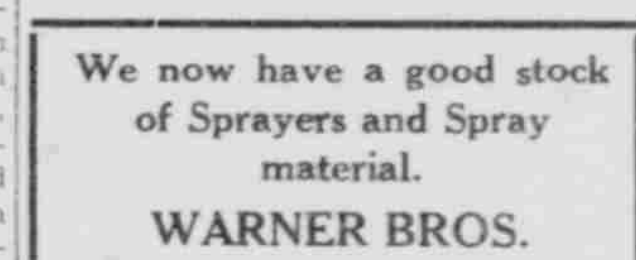

One of the first needs in rest, combined with pure food and abundance of fresh air night and day. Sometimes these agencies are sufficient to effect relief. In other cases, running systems need tonic help.

Where the latter is indicated, it is wise to try Eckman's Alternative—a lime-bearing compound which is easily assimilated by the average person.

For more than twenty years this preparation has been widely used and many recoveries are attributed to it. Even in advanced cases of pulmonary affections it has proved beneficial.

One feature not commonly found in effective medicines is its absolute freedom from poisons or habit-forming drugs. Therefore a trial is safe.
